

VelocityShares Announces Quarterly Rebalancing of the VelocityShares Equal Risk Weighted Large Cap Index (ERWSPX)

Darien, CT – October 9, 2013 – VelocityShares Index & Calculation Services, a division of VelocityShares LLC, announces the Index Committee has approved changes to the VelocityShares Equal Risk Weighted Large Cap Index (ERWSPX). The Index Committee determined the following enhancements would enable the Index to more accurately reflect its objectives:

1. Eligible Universe stocks will exclude stocks undergoing mergers and/or other corporate actions if the Index Committee determines that a stock's price movement is no longer determined by market risk.
2. The Rebalancing Day will be the 15th business day of each January, April, July, and October.
3. Individual constituent weights will be capped at 3% of the Index.

As a result of these changes, the October quarterly rebalance will become effective on October 21, 2013.

For details about the index rebalance please see www.velocityindices.com/newsroom.
